## Expertise

Margot is a member of the Finance and Capital Markets Department and is Head of Listing Services at Matheson.

Margot joined Matheson in 2014 as part of Matheson's purchase of Investec's Irish investment fund and debt securities listing business. Margot has extensive experience in advising both Irish and international financial institutions on a wide range of issues relating to listing applications on Euronext Dublin (both the regulated and Global Exchange Market), the Cayman Islands Stock Exchange and the Vienna Stock Exchange (Third Market) and the ongoing obligations applicable to those entities once listed.

Margot and her team advise both fund and debt clients on the application and interpretation of the relevant stock exchange's listing rules, taking into account the European directives which apply to them, where relevant. These include the Prospectus Directive, Market Abuse Directive and Transparency Directive.
