

The image features a large red rectangle containing the word "Matheson" in white, serif font with a thin white underline. To the right of this rectangle is a photograph of a bronze statue of a man in a suit, standing on a stone ledge and looking down at a book or document. The background of the photograph is a stone building with windows. There are also two blue squares of different sizes in the upper left corner of the overall image.

## International Business

“ Matheson has the most internationally minded lawyers of all Irish law firms.”

Chambers Global

The primary focus of Matheson is to serve the Irish legal needs of internationally focused companies and financial institutions doing business in and from Ireland. Our clients include the majority of the Fortune 100 companies. We also advise 7 of the top 10 global technology brands and over half of the world's 50 largest banks. We are headquartered in Dublin and also have offices in London, New York and Palo Alto. More than 600 people work across our four offices, including 74 partners and tax principals and over 350 legal and tax professionals.

The International Business Group provides a full range of Irish corporate law advice and services to overseas clients doing business in Ireland. The Group is comprised of dedicated lawyers within the Corporate Department whose primary focus is advising international clients on the Irish corporate law aspects of doing business in and from Ireland. The Group also works with many international law firms on the complex legal issues that arise in cross-border reorganisations and integration projects. The lawyers in the Group have diverse backgrounds and experience in international legal and business matters and provide solution driven commercial advice and guidance to our clients. In addition, the Group performs a client relationship role

for many of the firm's international clients by coordinating the provision of their legal needs with other parts of the firm. The Group also has a dedicated company secretarial team for multinational clients.

The Group is committed to providing overseas clients with advice and assistance of the highest calibre. Our approach is to ensure accessibility, advice and support at short notice with a particular emphasis on efficient response times. Clients of the Group include leading international corporations across a range of sectors (from information technology to life sciences), institutions and government agencies.

## The International Business Group primarily advises on:

- Inward investment and establishment of operations in Ireland
- Intra-group restructuring
- Reorganisations pre and post-acquisition integrations and spin-off transactions
- Cash repatriation strategies, dividend planning and procedures
- General corporate governance advice on Irish board practices and procedures
- Corporate compliance and company secretarial services for international clients
